

Celebration of Republic Day

NCC BCREC

The NCC unit of Dr.B.C.Roy Engineering College was formed in the year 2008, with its headquarters at 10th Bengal Battalion at Kumarpur, Asansol. Thirty two vacancies have been allotted by the Battalion.

BCREC cadets are full of dedication, which reflects their patriotic feeling towards their country - The main aim being 'Serve the nation'.

They undergo Camp Training which makes them eligible for 'B' and 'C' certificates respectively. This also provides a strong platform to those who aim for Defence services. Irrespective of limited vacancies, the participation of the students is reflected in the parade held twice a year in the campus i.e. 26th January and 15th August.

The parade held on 26th January, 2019 reflected the remarkable performance of the cadets. Large number of participation from the cadets forming two troops made a great impact on the viewers. Each troop was headed by a commander and the commanding officer took the lead to march both the troops. It was great to see the girls participating with full enthusiasm.

"India was not built on fear. It was built on courage, imagination, and an unbeatable determination to do the job at hand".

These cadets the upcoming generation of tomorrow will surely take the nation towards a better India.
