Sub: NSS Theme 2016 and Event Day Program Proposal

Sir,

This is to bring to your kind intimation, that after a couple of NSS BCREC Team meetings in July 2016, we have felt that 'Swasth Bharat', be the theme for this year's NSS program at BCREC. This is in synergy with the national drive for the same. Hence, we request your kind office to please permit us to host a Health Camp in the college campus, in collaboration with a hospital in Durgapur, tentatively, on the 24th September, NSS Day.

We will work with the Jemua village Secretary, if permitted, to offer this service to approx 70 senior citizens of that area.

We look forward to your approval and hope to inform you of the logistics of the same, in consultation with Mr. Souvik Chandra, PRM at the earliest.

Thank you.
Sincerely yours

To

The Medical Superintendent,
Sub-Divisional Medical Hospital,
Bidhannagar, Durgapur

Sub : Request to carry out a Health Camp on 27th September, 2016.

Dear Sir,

Dr.B.C.Roy Engineering College has an active NSS wing which makes an effort to carry out socially useful activities in partnerships with industries and organizations in and around Durgapur. In the recent past we have carried out afforestation drives in association with DFO, Fire Safety Campaigns in association with DSP-SAIL and Disaster Management programmes in association with NDRF, Eastern Region.

This year we plan to undertake a Health Check-up for senior citizens of the underprivileged members of our society. We earnestly request you to partner us in this initiative under the Swasth Bharat Abhiyaan on 27th September,2016 at 11:00hrs.

We fervently request your kind consent and to kindly grace the occasion as our Guest of Honour and hope that you will delegate a team of doctors(Ladies and Gentleman) to carry out this camp in true generosity of spirits so that our poor may be touched by your helping hand.

In this connection it may kindly be noted that arrangements for necessary bed and supporting facilities in a neat and clean environment will be arranged by us. We would be expecting around 50 senior citizen patients .

However, should you require any further clarifications in this regard, you may kindly convey the same to our NSS Coordinator Mrs.Suneeta De accordingly.

Yours faithfully,

Prof. (Dr.)A.Sinha

Kindly note that the name of KR (Koustav Roy) has not been suggested by the AEIE Dept. Instead of that the name of SHM (Shibendu Mahata) has been suggested by Principal Sir.

I think a correction is required in the faculty allocation sheet.

HOD, AEIE

I hope this clarifies your doubt. Pls feel free to get in touch for any further clarification.

However, this year it was decided that such training will be delivered by our college faculty members and a pool of teachers were created by selecting faculty members from all departments. Based on the competency level of teachers, classes were allocated to cover nearly 700 students in 7 branches of Engineering and MCA departments

Training programme comprising of 4 modules was divided in 2 phases, each phase having 52 classes. The status is given below

The Phase II training programme was truncated due to college events like annual sports, technical fest, class tests etc.
